Dear Sirs:-

When your organization was formed some years ago, I received an invitation to join it, and intended to do so, but laid it aside and it must have been misplaced somewhere, because I know that I did not become a member.

I have several times since thought of communicating with you, but have put that off from time to time until now I have your communication with regard to the peace medal.

I want, first of all, to say that I herewith enclose you check for \$5.00 for a bronze medal mentioned in your circular, and, then I want to say further, if I remember rightly, I was solicited for membership to pay \$2.00 a year, in return for which each member was to get^a certain medal that would be issued by the Society commemorating the most outstanding event during that particular year in which it was issued.

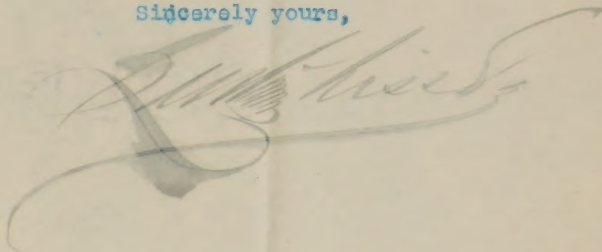

I would ask you to kindly inform me if my memory serves me correctly, and then I would ask you to also inform me whether if I paid dues for the years having passed since the invitation was extended to me, I could obtain the medals issued to the members during that time, on the same condition as if I had been

Dear Sir:-

I have your letter of June 25th - thank you for the order for a bronze copy of the Peace Medal. This will be sent you in a few days.

With regard to your inquiry concerning the membership I believe you must have confused our society with a now defunct organization called the Circle of the Friends of the Medallion. I understand they published two medals annually with dues which were, if I am not mistaken Five dollars.

I am enclosing the proof circular which sets forth the purposes of our society and an application for membership card which I will be very glad to present at the next meeting of our council if you will sign it. This will enable you to purchase any of the medals we have published and any copies still on hand. I will send you a list of them as soon as I receive your further word.

Very respectfully yours,

Secretary.

Dear Mr. Nissen:-

Thank you for your letter of the 27th enclosing a card of application for an associate membership. This will be presented at the next meeting of our Council which is called for July 14th. I am sending you under separate cover a pamphlet indicating the former medals issued by our society of which we still have copies on hand. I should be very glad indeed to have your order for as many of them as you may care to select.

I hope we shall have the pleasure of welcoming you at our museum some time - I feel sure you would find many things of interest to you here.

Gentlemen:-

I am returning the enclosed bill for the reason that when making remittance for the 1923 membership, I am of the impression that I wrote asking you to cancel further membership for Mr. Nissen. If this was not done, it was an oversight on my part and I would therefore ask you to take note of same now.

Very truly yours,

Florence Brainerd

Secretary to Mr. Nissen.
